FEELED SlimLamp

An evolutionary alternative to our world renowned T5 fluorescent fixture, Feelux introduces the SlimLamp LED. Utilizing the same body and quick connectors of its predecessor, the SlimLamp LED stays true to its heritage. Current customers simply replace their existing Fluorescent SlimLamp with the new LED version, making it easy to use in existing environments, displays, and cabinets. New customers benefit from over ten years of quality and performance that made the SlimLamp and continue on in the SlimLamp LED.
